

## McKenzie Bridge Christian Church

### Camp Scholarship Expectations:

- The Church desires that no one that wants to go to camp would be unable to go due to financial reasons. The church will partner with local parents and Guardians to assist, where needed, for up to the full price of camp.
  - Which is between \$180-250
- The Church scholarships will pay up to the full amount for each camper/participant who meets certain criteria:
  - Regular Attendance to Youth Group
  - Regular Attendance to Youth Outings
  - Your Child will be called upon to assist in benevolence outside of the Church. (Yard Work, Food for Lane County Extension, Car Wash...)
  - The recipient will take part in all fundraising efforts for the camp scholarship fund.
  - Assist as a teen helper for V.B.S
  - Please call our Church office (541)822-3289 or Church youth coordinator (541)822-6065 about any of these points.

These criteria need to be reinforced by the parents/guardians of the applicants. If the applicant does not follow the criteria within reasonable circumstances, then the scholarship application will be considered null and voided by the discretion of the youth coordinator.

**(Please remember that NO money shall be given to the youth applicant or parent/guardian, all funds will go to the selected camps.)**

- The Church office has the applications for camps and waiver forms. We are waiting and willing to help parents in any way (We are here for you).
- If the cost of camp supplies is prohibitive of your child attending a summer camp please speak with our Church office. We have contacts that may be willing to help or lend supplies. *These contacts should be initiated by our Church office or youth coordinator.*
